Report of Principal and School Improvement Council

The faculty and staff at Jackson Middle School are committed to provide a nurturing environment that enhances individual student's academic performance. Encouraging partnerships with local community groups and parents, our school strives to build programs that reach optimal effectiveness. We hope to work in partnership with all stakeholders to build a true team approach to building up our students. It is our belief that building a positive experience while keeping engagement and rigor high will build a globally competitive student. As a faculty and staff, all of our actions center around our desire to build students that will be ready to attain career and college readiness at the high school level. We also look to ensure that students who transition into our school from an elementary setting are given adequate support throughout each academic year.

The Jackson Middle School Community and School Improvement Council has worked this year to build a five year plan to build on school strengths and offer support for areas of improvement. Our mutual goal is to build programs that adhere to the highest level of effectiveness for the individual learner. This year we received another recognition for meeting our goals being named a Palmetto Silver School for Achievement and Student Growth. Our sixth grade students this next year will be participating in a comprehensive STEM program that focuses on project based learning and collaborative learning.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	71.3
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Jackson Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
